

IPP GROUP
International Piping Products

GROUP
International Piping Products

STOCK LOCATIONS:

- UK
- SINGAPORE
- AUSTRALIA
- HOUSTON

Leading manufacturers, extensive stockholders & bespoke fabricators of specialist piping products for the Oil, Gas, Petrochemical & Nuclear Industries.

- Duplex
- Super Duplex
- 6Moly
- Nickel Alloys
- Carbon Steel
- Low Alloy Steels

STOCKISTS

MANUFACTURERS

FABRICATORS

EUROPE

- > Extensive stocks of Pipes, Fittings, Flanges in Duplex, Super Duplex, 6moly & Nickel Alloys plus Stainless Steel and Carbon Steel Grades.
- > 1/2" To 24" seamless & welded.
- > Pipes, Fittings & Flanges are all tested in accordance with the latest NORSOK revision.

CARBON & ALLOY

- > Extensive Stocks of Carbon and Alloy Steel Pipe Fittings and Flanges. Seamless Pipes - 1/4" to 24" nominal bore, Welded Pipe - 2" to 48" inch nominal bore and Butt Weld Fittings and Flanges.
- > Material grades to API, ASTM, ASME, DIN, AISI & MSS specifications including: AP15L, A106, A333, A335, A234, A694, B16.47, B16.5, B16.11, API605.

SCOMARK

- > NORSOK, BP & Shell approved manufacturer of Pipe Fittings.
- > Duplex, Super Duplex, 6moly & Nickel Alloys plus Stainless Steel and Carbon Steel Grades.
- > 1/2" to 24" NB.
- > Elbows, Tees and Reducers 3D & 5D Bends, Forged Fittings, Barred Tees, Clad Weld Overlay BW Fittings & Stub Ends.

ACCURA SUPPLY

- > Specialising in fast track turnarounds.
- > ARAMCO & all major EPC & OEM approvals.
- > Forgings, Raw Materials, Flanges, Fittings, Pipe, Hangers, Venturi's, Collars, Weld Cladding with bespoke & special manufacturing to customer drawings.
- > Low temperature and high yield Duplex, Super Duplex, Carbon Steel & Nickel Alloys.

VAN TRIEL UK

- > NORSOK, BP and TÜV approved manufacturer of Forged Flanges, Rings, T-Pieces, Y-Pieces and specialist bespoke Forgings to customer requirements.
- > Carbon Steels, Nickel Alloys, Titanium Alloys, Copper/Nickel Alloys, Stainless Steels (incl. Urea), 6Mo, Duplex and Super Duplex Grades.

STAINLESS STEEL FASTENERS

- > NORSOK M650 approved manufacturer of Duplex and Super Duplex Bolting plus Carbon and Alloy Steels, Stainless Steel and High Nickel Alloys.
- > Bolts, Sets, Nuts, Socket Screws, specials to clients drawings, forged and CNC machined, heat treated and tested, coated and fully certified.

MARDALE

- > Leading global subsea supplier of full turnkey Flowloops, Spools and Kits for Xmas Trees & Manifolds.
- > Kits Including: Pipe, Fittings, special Flanges & Blocks including Clad Weld Overlay.
- > Duplex, Super Duplex, Stainless Steels, high Nickel Alloys and Carbon Steel grades.

SCOMARK ENGINEERING

- > Bespoke fabricators of Manifolds, Pig Traps and other specialist fabrications.
- > Duplex, Super Duplex, 6moly, Nickel Alloys, Titanium, Stainless Steels and other exotic material grades.
- > Low temperature and high yield Carbon Steels.
- > Copper Nickel & Aluminium Bronze.
